Alabama Veteran Housing Programs

Alabama State Veterans Home Program

The people of the United States have always held a tradition, mandated by law, that those who serve the country in the armed services, especially in time of war, shall receive consideration and care when they are in need. The hospitals maintained by the U.S. Department of Veterans Affairs have filled the needs of acutely ill or injured veterans. But a different type of facility is needed for aging or chronically disabled veterans. The State of Alabama is extending this special kind of care to veterans through a partnership with the federal government and private industry by proudly operating four state-of-the-art Veterans Homes located within the state.

Eligibility:

- Must be honorably discharged from military service with a minimum of 90 days of service, of which one day was during a wartime period.

- Must meet the qualifications set forth by the U.S. Department of Veterans Affairs criteria for skilled nursing care or domiciliary/assisted living.
- Must have been a resident of the State of Alabama during the immediate past 12 months.
- Must have had a medical examination by a physician within 90 days of admission request
- No medical or nursing care needs that the Home is not equipped or staffed to provide.
- No behavioral traits that may prove to be dangerous to the well-being of the resident, other residents, staff or visitors.
- Veterans who do not have war-time service may be admitted to the Home on a space available basis.
- Must meet the requirements of Alabama's immigration laws.

Homes - The Alabama State Veterans Homes are a very affordable solution for you or your loved ones. There is a monthly fee for residence in the homes. Applications may be obtained from your local Veterans Service Office, download at <http://www.va.state.al.us/BNHome.aspx>, or by contacting the facility.
