License Plates

Hawaii does not have a statewide Department of Motor Vehicles. Vehicle Registration is managed by each county government. For the same cost as regular license plates, qualified veterans can acquire distinctive veterans' license plates for their car or motorcycle. Currently available are: "Veteran," "Combat," "Combat Wounded," "Pearl Harbor Survivor," "Former POW," "World War II Veteran" , "Korean War Veterans, and Vietnam Veteran".

Military plate availability, fees, and application processes may vary from county to county. Check with your local Hawaii motor vehicle licensing office (<http://www.dmv.org/hi-hawaii/dmv-office-finder.php>) for details.

Note: I have searched the internet and have been unable to locate any info on what these plates look like. Request anyone who has knowledge of this forward it to raemo@sbcglobal.net

Visit the Hawaii Office of Veterans Services website <http://hawaii.gov/dod/ovs> for contact information and benefits assistance.
